French Faith and Sharing North-American Retreat

June 19 to 25, 2016

Theme: "*Oser la rencontre*" ("*Daring the Encounter*")

Help people to live this encounter!

This seven day retreat (French speaking only, in Quebec city) is a special time to stop, to recharge one's batteries, to interiorize, to meditate, to encounter Jesus, to encounter one's brothers and sisters. It is a special activity, which does not happen every year. It is a precious event in a lifetime.

For some people, the cost (lodging and meals) may seem high. It is based on six periods of 24 hours each (from Sunday afternoon to Saturday afternoon):

With overnight stay: $390 (6 x $65)
Without overnight stay: $240 (6 x $40 including lunch and dinner)

In order to make this activity accessible to everyone, we are currently raising funds.
Whether you participate in this retreat or not, you are invited to share the financial burden, by donating a small or big amount, according to your means.
Thank you for your support to help people « to dare the encounter » with Jesus and with their brothers and sisters.
