

Prayer to prepare for a Faith and Sharing Retreat

Lord Jesus,
you who desire to need us,
help us to respond generously to your invitation
to prepare for the spiritual and practical needs of our retreat.

We ask you to find the workers needed
to work in your vineyard,
whatever commitment is asked.

In this work of preparation,
teach us to unite prayer and service,
action and contemplation,
reminding us that true inspiration
will come from your Spirit.

As for the reward,
we ask for nothing but the glory of the Father and hearts unburdened,
healed with more and more love.

Thank you finally for your comforting presence
that already brings us joy, peace and love,
to us who want in all things to do your will.

AMEN.
