Faith and Sharing North American Retreat
 September 8 - 13, 2019

Theme: *“Meeting Jesus in community”*

Help people to live this encounter!

This five day retreat in Pickering, Ontario, is a special time to stop, to go inward, to encounter Jesus, to encounter one’s brothers and sisters, to share with members of Faith and Sharing communities from North America. It is a special activity, which only happens every few years.

For some people, the cost (lodging and meals) may seem high. It is based on five periods of 24 hours each (from Sunday afternoon to Friday afternoon). Amounts are in Canadian Dollar:

- With overnight stay: \$475 (5 x \$95)
- Without overnight stay: \$275 (5 x \$55 including 3 meals per day)

In order to make this activity accessible to everyone, we are currently raising funds.

Whether you plan to participate in this retreat or not, you are invited to share the financial costs, by donating a small or large amount, according to your means.

Thank you for your support to help people “Meeting Jesus in community”.
