

Yes it is true. We are not planning a 5 day retreat this summer.  
However we are planning to get together for a day and you are invited to join us.

## Saturday June 7th at Brechin United Church hall in Nanaimo.

Come and spend a day in community - singing, prayer, sharing, good food and connection.

10am            Arrive, mingle, have a coffee  
10:30am       Morning sharing of gifts  
Noon            Lunch will be provided  
1pm            Afternoon sharing and prayer time  
3pm            Wrap up and good byes

At our summer retreat Deb Hinksman reminded us that we are Designed by the Divine. We experienced God's love for us. God whispered that we are beautifully made through nature and through each other. On our last morning Deb invited us to consider how each of us is made for a purpose, with a unique gift to offer the world - Designed for the Divine.

Since we all have unique gifts, we are inviting everyone who comes for the day to bring an expression of their giftedness - a poem, a song, a prayer, a reading, a picture or other creation - and share it with us during the day. There will be periods of quiet reflection and group sharing.

Please email or phone Terri to confirm that you are coming.
